Date: June 5, 2008

Another **NEW** product from Dedolight

## DLH650PO and DLH650PODMX Pole operated tungsten light heads with DMX control

Mains operated lights with unrivaled focusing range and superior light quality. These light heads can be used with a choice of 650W, 500W or 300W halogen lamps in versions from 100 – 240 VAC.

The DLH650 PO is ideal for hanging application in studios. Pan, tilt and focus are pole operated.

The DLH650PODMX has the DMX control option in addition to the above-mentioned characteristics.
